

# Missouri Renewable Resources Directory

Division of Energy Fact Sheet

12/2015

This directory is compiled by the Missouri Department of Economic Development's Division of Energy. It is intended to be a source of renewable energy information resources.

To update or add a listing to this directory, please contact the Division of Energy by e-mailing [energy@ded.mo.gov](mailto:energy@ded.mo.gov) or calling 573-751-3443. The department may edit directory listings for length, content and department style.

Categories and corresponding subcategories in this directory include:

- Bioenergy - Biomass Equipment and Heating Fuels
- Education - Curricula, Training Providers, and University Programs
- Green Building
- Missouri Organizations and Associations
- National and Regional Organizations
- Solar - Photovoltaic and Thermal
- Wind (currently all wind energy companies are listed under solar with wind as an additional category)
- Other Technologies - Hydrogen Fuel Cells and Hydroelectric

**Inclusion of a business, consultant or organization on this list is not an endorsement, sanction, or certification by the Missouri Department of Economic Development or by the State of Missouri.**

Category:

**Bioenergy**

**Company:** Agrisa, LLC **Subcategory:** Biomass equipment, design and services

<b>Description:</b>	KCPL has posted the following information on their website in July 2013: On July 19, KCP&L advised solar vendor US Solar that it would no longer be accepting applications for Net Metering or Solar Rebates from US Solar. This was due to our findings in an internal investigation into US Solar projects. Customers can call the Solar Team at (816) 242-5971 with questions.
