Two Weeks Remain for Missouri Homeowners, Renters and Businesses to Apply for Disaster Assistance

JEFFERSON CITY, Mo. – Missouri homeowners, renters and businesses that sustained property damage or loss caused by the flooding and storms between April 28 and May 11, 2017 have two weeks left to register and apply for federal disaster assistance.

The deadline to register for assistance from the Federal Emergency Management Agency (FEMA) and to apply for low-interest disaster loans from the U.S. Small Business Administration (SBA) is **Aug. 1, 2017**.

Survivors should register even if they have insurance. FEMA cannot duplicate insurance payments. Eligible homeowners and renters may be able to receive money from FEMA for losses not covered by insurance to help pay for basic home repairs, temporary rental assistance and other needs such as replacing personal property. FEMA Individual Assistance is grant money that does not have to be repaid.

There are three ways to register:

- Call 800-621-3362 between 6 a.m. and 10 p.m. CST. Multilingual registration assistance is available. Those who use 711 or Video Relay Services may call 800-621-3362. Those who use TTY may call 800-462-7585; MO Relay 800-735-2966; CapTel 877-242-2823; Speech to Speech 877-735-7877; VCO 800-735-0135. Multilingual operators will be available.
- Go online to DisasterAssistance.gov.
- Use the [FEMA app](#) for smartphones.

Survivors who are contacted by the U.S. Small Business Administration (SBA) regarding a low-interest disaster loan application should complete and submit the application as soon as possible. Returning the application does not obligate the survivor to accept an SBA loan, but it is a necessary step to be considered for other forms of disaster assistance.
