

CHP Summit, October 16, 2018
Index of Exhibitors - Primary CHP Focused Products

Armstrong International

Steam-Fired Instantaneous Hot Water Systems

CK Power

Gas Reciprocating Engine Generators; Integrated Heat Recovery; Packaged Systems

Central Power Systems & Services

Gas Reciprocating Engine Generators; Heat-Recovery Modules; Packaged Systems; Electrical Products

Clayton Industries

Heat Recovery Boilers and Systems

Cleaver Brooks

Heat Recovery Boilers and Systems

Elliott Group

Steam Turbine Generator - 50 kW to 2.6 MW (and above); Pressure-Reducing Valve Replacements

Foley Power Systems

Gas Reciprocating Engine Generators

Martin Energy Group

Gas Reciprocating Engine Generators; Integrated Heat Recovery; Packaged Systems

McQueeney Group/York

York chillers; Absorption Chillers; Steam-Turbine-Driven Chillers

Rentech Boiler Systems

Heat Recovery Boilers and Systems

S & G Power Systems

2-G Gas Reciprocating Engine Generator Packaged Systems - 50 kW to 2 MW;
Broad USA Indirect-Fired (Exhaust Gas, Steam, Hot Water) Absorption Chiller - 40 to 3300 RT

Siemens Energy

Gas Turbine Generators - 4 to 15 MW (and above); Steam Turbine Generators (1 MW and above)

Smith Power Products

Gas Reciprocating Engine Generators; Integrated Heat-Recovery; Packaged Systems

Yazaki Energy

Hot-Water-Fired Absorption Chillers/Chiller-Heaters - 5 to 100 RT
