

Missouri Renewable Resources Directory

Division of Energy Fact Sheet

03/2017

This directory is compiled by the Missouri Department of Economic Development's Division of Energy. It is intended to be a source of renewable energy information resources.

To update or add a listing to this directory, please contact the Division of Energy by e-mailing energy@ded.mo.gov or calling 573-751-3443. The department may edit directory listings for length, content and department style.

Categories and corresponding subcategories in this directory include:

- Bioenergy - Biomass Equipment and Heating Fuels
- Education - Curricula, Training Providers, and University Programs
- Green Building
- Missouri Organizations and Associations
- National and Regional Organizations
- Solar - Photovoltaic and Thermal
- Wind (currently all wind energy companies are listed under solar with wind as an additional category)
- Other Technologies - Hydrogen Fuel Cells and Hydroelectric

Inclusion of a business, consultant or organization on this list is not an endorsement, sanction, or certification by the Missouri Department of Economic Development or by the State of Missouri.
