

# QUALIFYING SOFTWARE PROVIDERS

The following software companies provide various types of computer power management solutions which may be eligible for rebates under the Desktop Power Management program. This list is not comprehensive, nor is it an endorsement of any particular company or product. Some software providers may have more than one product which qualifies. For more information about the Desktop Power Management program, please visit the website, [www.pcpower-rebates-il.com](http://www.pcpower-rebates-il.com).
