1. The prospective participant certifies, by submission of this proposal, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in the Global Market Access Program by any Missouri department or agency.
2. Where the prospective participant is unable to attest to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.

Instructions:

- a. By signing and submitting this proposal, the prospective participant is providing the certification as set out below.
- b. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective participant rendered an erroneous certification, in addition to other remedies available to the State of Missouri, the Department of Economic Development may pursue available remedies, including suspension and/or debarment.
- c. The prospective participant shall provide immediate written notice to the person to whom this proposal is submitted if at any time the prospective participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
- d. - f. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the OA Debarred List.
- g. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
- h. Except for transactions authorized under paragraph (d) of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the State of Missouri, the Department of Economic Development may pursue available remedies, including suspension and/or debarment.
